DCM Foundation 7826 Kate Brown Drive Dublin, OH 43017 Attention: Greg Ruf

Dear Greg:

Enclosed are the original and one copy of the 2024 exempt organization returns, as follows...

2024 Form 990-PF

2024 Ohio Attorney General report

The Internal Revenue Service requires that you make your annual exempt organization returns and related documents available for public inspection for 3 years from the filing date. The exemption application, letter of determination and related documents must be made available for public inspection indefinitely. The organization must furnish a copy of its exemption application and/or information returns for the last 3 years to anyone who requests so in writing or in person. Information returns made available for public inspection must be properly signed.

Private foundations may not invest funds in a manner that jeopardizes the carrying out of any of its taxexempt purposes. Upon examination of the return by tax authorities, you may be required to provide documentation to support the proposition that ordinary business care and prudence has been exercised in managing the Foundation's assets. As a result, we recommend that you consult your investment advisor to determine whether any of the Foundation's investments fail to meet the prudent investor rules.

Each original return should be dated, signed and filed in accordance with the filing instructions. Each copy should be retained for your files.

We prepared the return from information you furnished us without verification. Upon examination of the return by tax authorities, requests may be made for underlying data. We therefore recommend that you preserve all records which you may be called upon to produce in connection with such possible examinations.

We sincerely appreciate the opportunity to serve you. Please contact us if you have any questions concerning the tax return.

Very Truly Yours,

Jane E. Pfeifer
